

**Clay County High School
Summer School Registration**

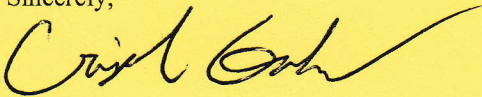

Dear Parent/Guardian of CCHS student,

Clay County High School is offering students an opportunity to attend summer school. This offering will be Monday through Thursday June 14 to July 22, 2001 beginning with breakfast at Clay Elementary at 8:00. Students will also be transported to Clay Elementary for lunch. Any student who failed a course during the regular school year should attend summer school for credit recovery. Students who want to improve their learning or grade point averages are also welcome to attend. Edgenuity will be used for summer school programming. Students will take a pre-test for the course they failed, and the computer will assign the lessons the student needs to successfully complete the course for credit. The preregistration deadline is Thursday, May 31, at 11:30 A.M. (Students may register the first day of class if space is available).

If your child has failed a class, we strongly recommend summer school. Teachers might also recommend summer school on the report card.

If you have any questions concerning summer school, please call us at 587-4226 between 8:00 and 2:30.

Sincerely,

Mrs. Gibson

I wish to enroll my child in Clay County Afterschool Programs. I understand and agree to allow Clay County Schools to calculate data based on my child's attendance, achievement, and cognitive gains to determine the success rate of the program as determined by the United States Department of Education for funding purposes. This information will be kept confidential.
